

## OTHER MESSAGES

1895 Message of 13 MAY, 2001.

Dear Sons and Daughters; I am the mother of Jesus and your mother. I want to tell you that you are important to me and that everywhere you should spread my messages. I need each one of you in order to realize my plans. Remember, today, my appearance in the poor Cova de Iria and the great miracle God performed for mankind. The almighty Lord who created you to His image and likeness sent me. I have called men to the faith, but they continue distant. If mankind had received the appeals I made in Fátima, humanity would be spiritually cured. I come to bring you peace and hope. I suffer because of so many sons far from the Grace of the Lord. Humanity contaminated itself with sin and is heading toward a great abyss. Receive with love what I am telling you. I don't want to oblige you. I am your mother and I want to warn you about what will come. Hurry up and be converted. Do what you have to do. Don't wait for tomorrow. Pray. Only with the force of prayer will men open themselves to the call of the Lord. Forward with courage and joy.

1914 –Message from Our Lady Queen of Peace – 29 June, 2001 Angüera, Bahia, Brazil. Brazil. Friday.

Dear Sons and Daughters: Love the church of my Jesus and defend it. Pray for the sucesor of Peter, the pope, and for the bishops and priests of the whole world. The smoke of the devil has penetrated the church of my Son, leading many of my chosen ones to the road of error, division, and lack of faith. Whatever happens, don't forget: the full truth is found only in the Catholic church. I am your mother, and I suffer for those who depart from the truth, accepting false teachings and false ideologies. Be careful. Do not flee from the truth. My Jesus is truth and you will find salvation only in Him. Pray. Do not withdraw from prayer.

This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to bring you here one more time. I bless you in the Name

I am your mother and come from heaven to ask you to be courageous and that everywhere you witness to the love of the Lord in your lives. Pray. The power of prayer will lead you on the road of goodness and holiness. You belong to the Lord, and nothing can harm you. I will ask my Jesus for you. Rejoice, because you have a special place in my Immaculate Heart. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to reunite you here once more. 1926 - Message from Our Lady Queen of Peace - 26 July, 2001 – Angüera, Bahia, Brazil

Dear Sons and Daughters: Tonight I ask you to intensify your prayers in family, since only in this way you will be protected from attacks and snares of the devil. Families withdraw from God because they withdraw from prayer and from a christian way of life. I suffer because of those who live far from God and are not interested in His Word. Today very many families live as though blind, and guide other blind people, and so each day they come closer to a great abyss. Be conscious of the great importance of living as the Lord desires and you will see the world at peace again. I am your mother and want you to be saints. I want your families to become examples for those families who are living far from God. Go forward with courage. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to reunite you here once more. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Be at peace.

1927– Message from Our Lady Queen of Peace - 28 July, 2001 – Angüera, Bahia, Brazil

Dear Sons and Daughters: Christ is your hope. Only in Him is the salvation of men, and without Him there is nobody else that can save you. I ask you to joyfully live the gospel of my Jesus, and everywhere give testimony to the wonders of God in your lives. You are a people chosen by God, and He loves you. Flee from sin and return to the Lord through a sincere conversion. Also I ask you to participate in the Holy Mass with devotion and respect. Go forward to meet my Jesus who awaits you in the Eucharist. Behave as true sons of God and be always an example for others. Open your hearts to my call to conversion, to repentance, and to prayer. If you live my appeals you will be saved. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to reunite you here once more. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Be at peace.

1928 – Message from Our Lady Queen of Peace – 31 July, 2001 – Angüera, Bahia, Brazil

Dear Sons and Daughters: Don't flee from the truth. Remember that only in the Catholic Church will you find the integral truth. Therefore you should not abandon your faith to go to the abyss of perdition to which the sects are leading my poor children. The devil spread his poison to the whole world by false teachings and false ideologies. Be faithful to the successor of Peter, Pope John Paulo, if you wish to remain in the truth. There is no way that leads to salvation other than that indicated by my Son in His gospel. Find strength in the Eucharist and confession, channels of His saving action. I am your mother and want to tell you the time is short. I come from heaven to lead you to the truth. Open your hearts. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to reunite you here once more. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Be at peace.

1929 – Message from Our Lady Queen of Peace – 3 August, 2001 – Angüera, Bahia, Brazil

I am your mother and am at your side. Don't lose heart. Go forward without fear. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to reunite you here once more. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Be at peace.

Now is the opportunity for you to restore the image and likeness that you have of your Creator. Prayer is the first step to be taken on the road to conversion. I want to help you, but what I do depends on you. Be firm in the mission the Lord confides to you. To whom much has been given, much will be asked. I encourage you to assume your true role of christian with courage. This is the message I give you today in the name of the Most Holy Trinity. Dear Sons and Daughters: Do not back off. You are not alone. I ask you to be courageous and be instruments of peace for all those who live far from God. The lack of peace in the world is caused by the lack of God in the heart of man. The Lord is rejected and the creature is preferred and placed in the place of God. If mankind does not return it could be too late. I am your mother and I want to help you. Open your hearts joyfully and I will make you men and women of prayer. When you pray you will be capable of understanding and accepting the love of God. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to bring you here one more time. I bless you in the name of the Father and of the Son and of the Holy Spirit. Amen. Be at peace.

Dear Sons and Daughters. To be great in faith, receive the Words of My Son Jesus with love. My Son is the way that leads you to full happiness. If you live His Gospel, you will be transformed and guided to victory with the triumph of my Immaculate Heart. I need your yes and your disposition to serve the Lord. Pray. When you are distant from prayer you run the risk of withdrawing from the grace of God. Be courageous and firm in the path of faith. Give witness that you are of the word everywhere. Let your actions speak more of the Lord than your words. Be an example for those who are distant. If you do what I ask, the Lord will reward you generously. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to bring you here one more time. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Be at peace.

1978 - Message from Our Lady Queen of Peace - 24 November, 2001 Angüera, Bahia, Brazil

Dear Sons and Daughters. I am your mother. I suffer when you are withdrawn from the Lord and when I call and you do not pay attention to my call. Know that I seek your spiritual good. I don't want to force you. I want to offer you the grace of conversion and your encounter with the Lord. Seek strength in prayer and you will be strong in temptations. The devil wants to deceive you with false signs and lies. Hear the voice of God Who speaks to your hearts and you will not be deceived. Be alert. If you live my messages, the world will find peace. Go to encounter the Lord by truth. If you want to change your life embrace the truth. Only with truth will you encounter the grace of a true conversion. Only the true signs of God produce true conversions. Be careful. You are precious to me and I want you to win. Pray. Your prayer will help you understand what is or is not of the Lord. Forward without fear. This is the message I give you today in the name of the Most Holy Trinity. Thank you for permitting me to bring you here one more time. I bless you in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Be at peace.
